Your gift to World Evangelism brings the message of Christ's transformational love across the street and around the globe. Thank you your generosity. Take care of each other and take care of your local church in this season of hope. You are deeply loved. Thank you for giving special mission (World Evangelism) offering by sending it to the church office, bringing it with you to the services, or by giving online through our webpage.

BUILDING UPDATES

429 Building: We are working on securing a building permit in order to proceed with remodeling the inside. There are a couple of meetings planned for this week to work on some details with our architect, which affect the building permit. In the meantime, we will also be working on roof maintenance. If you see building materials in the back of the Worship Center @ 429, we are just getting ready!

Annex: The Daycare is in the midst of replacing the Annex behind our main church building with a new Modular Unit that will contain two classrooms. The new Modular Unit has been completed at the factory, and we are working out details regarding permits, demolition of the old unit, along with preparations for the new unit. We thought originally that we had to prepare a new Land Development Plan, but the Borough informed us recently that they were exempting us from that step. So now we have officially applied for the Land Use Permit.
